HUMANITARIAN
OF THE YEAR

Neil G.
Giuliano

Neil Giuliano is a thoughtful, passionate leader dedicated to improving the quality of life for all. He began his community service in high school as a Key Club member, and continues today as a member of Kiwanis Club of Tempe. Neil served on the Tempe City Council from 1990-1994, and as Tempe's youngest mayor from 1994-2004. His leadership resulted in Tempe receiving the "All-American City" award in 2003. He initiated a People Improvement Program to bring attention to the need for cities to develop and invest in their people, and established Tempe's Human Relations Commission to focus on equality. Neil's dedication can be seen in many of our city's icons including Tempe Town Lake, Tempe Center for the Arts and the light rail. While working at ASU from 1979-2004, Neil developed a leadership program and related scholarship program, creating a lasting change for students. He served on numerous community and political boards. Neil is an international advocate of social justice. From 2005-2009, he was the national president of GLAAD; he is currently CEO of the San Francisco AIDS Foundation. Neil guided Tempe's growth while instilling a humanitarian vision in Tempe as a community that cares for and about one another.

Kiwanis Club
of Tempe

Kiwanis Club of Tempe is a pillar of the community that supports youth and provides leadership. For 62 years KCOT members have provided countless hours of service, raising over \$1 million to better the lives of many. KCOT's 4th of July Fireworks show, started in 1952, has grown to be a spectacular holiday event drawing thousands of people throughout the Valley. Proceeds provide scholarships, sustain school and sport activities, and sponsor Tempe High's Key Club and ASU's Circle K International. Many nonprofits benefit from KCOT's hard work and generosity. The altruistic goals and enthusiasm of KCOT members builds community and mentors future leaders.

Gwen Hanna

Gwen Hanna is an extraordinary volunteer who goes beyond addressing a need. A longtime Tempe resident, Gwen has generously given her time for many causes in Tempe since 1976. Her dedication to helping others is a part of who she is and no volunteer job is too big or too small. Gwen has been extensively involved with Tempe Meals on Wheels, Tempe Library and East Valley Catholic Social Services. She helped establish the Friends of the Library and My Sister's Place, a domestic violence shelter. Gwen's efforts are not just to meet a need but to make a change.

YOUNG
HUMANITARIAN
SCHOLAR

Michael Gee

Michael Gee is an inspirational role model for us all. A senior at Corona del Sol High School, Michael is a member of the National Honor Society, Key Club and Friends of the Library. In 2014, he was awarded Male Key Clubber of the Year for his extensive service hours. His volunteer efforts include St. Joseph's Hospital, Project CURE, tutoring and projects for the poor and homeless. Michael is fluent in Mandarin Chinese, aspires to be a surgeon, and wants to use his skills to broaden his ability to help those in need.

don carlos history

Charles Trumbull Hayden was one of Tempe's founders and a great humanitarian. "Don Carlos," as the Spanish pioneers affectionately called him, was known across Arizona for the assistance he provided to people in need. To honor the Hayden legacy, Tempe Community Council annually presents the Don Carlos Humanitarian Award, considered one of Tempe's most prestigious distinctions.
