Help determine how Tempe tax dollars support those in need.

Your voice matters! Help human service organizations better understand our community needs and identify assistance that supports residents. Take the Tempe Community Council (TCC) Human Services Needs Assessment survey. The survey is open to any adult who lives in Tempe.

TCC, a nonprofit human services agency, works closely with the City of Tempe to support people who live in Tempe and help them thrive. TCC and the city want to hear about your experiences and how your life could be better. Your feedback will help all people living in Tempe.

The survey will take approximately 25 minutes to complete. Survey participants will have the option to enter a drawing for a \$45 gift card upon survey completion. Three gift cards will be given.
